Re: U.S. Patent Application S/N 08/994,047

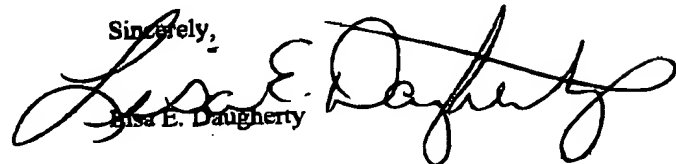

Dear Mr. Clock:

Further to our telephone conversation and facsimile transmission on November 6, 1998, I am still awaiting information as to the solution to the problem of Accounts having misdirected the funds appropriated for this application.

Hopefully, you will have information soon, as we do not want this to affect the status of this application.

If I can be of further assistance in rectifying this matter, please feel free to call me.

Sincerely,

Lisa E. Daugherty
